

# Education Newsletter

January 2025 - Issue 1

## IMPORTANT ANNOUNCEMENT

**The ASHI Website will be down from January 16 at 7pm CT to January 22 at 12pm CT.**

We are so excited to unveil our new website that will be full of new features to make your membership bigger and better than before. **At this time, you will not have access to the website, member dashboard, or ASHI Edge.** Any courses you do not complete before the website goes down, you will be able to complete them once the website is back online on January 22.

**Make sure you update your personal information (specifically your email) before the website goes dark.** This way you can make sure you receive all future communications and will have a seamless login experience with the new system. We can't wait to show you what we have in store on January 22!

### In This Edition

## Survey

Interested in a Live Online 4-point & Wind Mitigation inspection class? Which would you prefer?

One 5 hour class covering both topics.

Two classes on different days, one for 2 hours and one for 3 hours.

I just prefer the 4-Point inspection class.

I just prefer the Wind Mitigation inspection class.

I prefer a different topic.

## Featured Classes

### [Badge Course - ASHI Electrical Inspection Course](#)

***NEW: ICC, CT, IL, OH, TN, & FL Have Approved CE Credits!***

This self-paced online course provides an in-depth exploration of electrical systems. It is designed specifically for home inspectors who are interested in mastering electrical concepts and systems.

The course covers fundamental concepts such as electricity basics,

Ohm's and Watt's laws, electrical circuits, grounding and bonding, and electrical safety. It also delves into advanced topics like electrical distribution, load calculations, alternative energy systems, and compliance with electrical codes and standards.

**Earn 10 ASHI CE Credits, 10 ICC Credits and up to 10 State Credits in 11 states.**

Please Note: Only ACI Members are eligible to earn the ASHI Electrical Inspector Digital Badge.

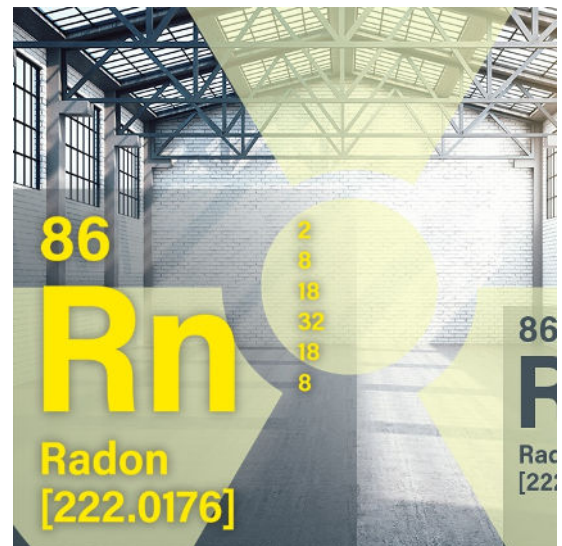

**Register and Earn 10 CE Credits**

## The ASHI School

### Radon Measurement Professional Class

The Radon Measurement Professional Class is an excellent step toward adding Radon screening to your offered services! This class serves as a prerequisite for a multitude of exams, which you will need to pass to receive certification for Radon screening. This two-day class will get you prepared to grow your business.

**Earn 16 ASHI CE Credits.**  
**Join us February 10 - 11**

**Register Today**

### Commercial Inspection Class

Unlock the potential of commercial inspections and take your home

inspection business to new heights. Our comprehensive class is designed to equip you with the knowledge, skills, and insights needed to confidently enter the commercial inspection market.

This course places an emphasis on small commercial properties.

**Earn 22 ASHI CE Credits, 10 HIA Membership Education Credits and 20 CREIA CE Credits.**

**Join us February 19 - 21**

**Register Today**

## **Code is Not a Four Letter Word Class**

Presented by Bruce Barker, author of Everybody's Building Code, **this live online course teaches how to use building codes knowledge during inspections to help identify and report defects with precision.** Code is not a land mine that home inspectors need to avoid. It is a resource that can help you identify and report real defects, and avoid reporting defects that are actually not defective.

**Earn 4 ASHI CE Credits, 4 ICC Credits and up to 4 State Credits in 14 states.**

**Join us February 28!**

**New CE Credit Approvals for: OH, MD, & FL**

**Register Today**

## **ASHI Exam Preparation Class**

Prepare yourself for success in the home inspection industry with our virtual comprehensive home inspection Exam Prep class. This specialized program is designed to equip you with the practice and review of the knowledge needed to

pass your home inspection certification and/or state licensing exams with confidence.

Led by industry experts, this class will review the key areas of home inspection topics and enhance your chances of achieving your professional goals.

**Earn 10 ASHI CE Credits  
Join us March 26 - 28**
